

Conroe High School

Sports Medicine

Parents,

In a continued effort of CISD to keep paper use to a minimum, for the 2019-2020 school year at Conroe High School, all students that participate in an activity that require a UIL physical - Band, Cheerleading, Drill Team, ROTC, Athletics - will complete their UIL paperwork online. This includes students entering 9th grade next year. The online forms are required. No student will be able to participate in his/her activity until the online portion is complete and a completed physical is returned to the Athletic Training Room. This is for Conroe High School students only; junior high students will receive a printed packet like years past. We are working towards our goal that all students will complete the paperwork online next year. The high school students will receive only the form for the doctor to complete in a printed format.

The program that has been approved by Conroe ISD is SportsWare. Please know that the registration will take a short time. We have attached an instruction sheet for you to follow to complete your student's information. This information can be completed on a computer, tablet or smart phone. If your student will participate in one of the above listed activities, you can register as soon as you would like. The UIL paperwork will not be available online to complete until Monday, April 15th.

To help with the online paperwork process we will be having a Parent Information Night on Wednesday, May 8th from 5:30-7pm in the Conroe Main Campus Cafeteria. On this night, we will be available to help with the login process and the completion of the online forms.

Athletic Physicals for the 2019-20 school year will be offered at Conroe High School on Wednesday, April 24th during the school day. The cost will be \$20. Physicals will also be provided for the junior high students on Tuesday, May 21st at Peet Junior High. The cost again will be \$20 and transportation will be provided to Peet Junior High for all Conroe High School feeder zone schools.

We are here to help make this process as simple as possible. If you have any questions or need assistance please contact our Athletic Trainers:
