Operation Graduation

Calling all senior parents - We need you! Operation Graduation is a party for the seniors after graduation. The seniors come to Incredible Pizza at 10:30 PM to party with their classmates all through the night! We give out prizes like computers, TVs, gift cards, and much more. It takes **parent volunteers** to help coordinate this event and help raise money. **CHS has not been able to have this event in a few years and we hope to revive this tradition with your help!**

What can you do?

1. You can use this letter- <https://goo.gl/p5LjRn> to solicit donations from area businesses. This can be used as a tax deduction! To date, we have received donations from Tracy Irvine (State Farm), Conroe Door and Hardware, Roy's Air Conditioning, Lodge Motel and Suites, Steele Page and Madeley, Buckalew, Polar Rig, and Chase Pest Control.
2. You can attend our next meeting on 1/30 at 7 PM.
3. You can volunteer to help with either of our fundraising events!

In 2015, the My Person Foundation (MPF) was created in response to the recent rise in tragic events within our community in an effort to combat teen suicide and bullying, while raising awareness of various aspects of mental health. MPF is a CISD affiliated high school club that started at Conroe High School Spring of 2016. If your child is struggling with bullying, stress, anxiety, depression, self-image or realizing their self-worth, MPF can help.

Our all-inclusive female and male groups known as the SisterhoodSQUAD and BROtherhoodBOND operate within CISD. Both groups are led by passionate, relatable and young professionals, referred to as mentors, who actively promote a safe environment to engage in healthy communication surrounding a variety of topics and challenges facing the students each day. Our mentors receive extensive training on a variety of important topics from CISD faculty and staff, counselors, and community organizations who work directly with our students. This training enables our diverse group of mentors to facilitate the available resources in our community to the needs of our students. Through the participation of mentors, we are able to share our message of S.P.I.R.I.T. (Support, Protect, Inspire, Respect, Include, and Trust) to the youth in our community. We find it is vital to utilize all social media outlets to consistently communicate and promote to our students the importance of self-worth and self-acceptance.

Our Mission Statement:

- To help students understand their value and support their journey to self-acceptance
- To help instill and guide students to acknowledging their self-worth
- To provide students with a safe and healthy environment for peer-to-peer communication
- To guide students in creating a kind, positive and accepting environment within their school
- To encourage an open dialogue between students and highly respected community professionals regarding sensitive topics, questions, problems and concerns commonly encountered by teens
- To promote the importance of supporting and protecting one another from negative influences
- To educate students of the importance of maintaining healthy, respectful and courteous personal and social media relationships
- To serve as a liaison between CISD schools and community professionals to help meet the needs of our students
