Dual Credit Senior ENG IV World Literature
Lone Star College ENGL 2222 and 2223

Summer Preparation

Read *Gilgamesh* and the introductory material found at the beginning of our textbook, *The Norton Anthology of World Literature, Shorter 3rd Edition, Volumes 1 and Volume 2.*

There are various versions available of this Ancient work of *Gilgamesh*, **so it is imperative that students only read from our Fall text (Volume 1 of the set).**

Annotations are encouraged, but not graded...a comprehensive assessment will be given at the start of the Fall term.

If you have any questions, please email Ms. Speegle at Aspeegle@conroeisd.net
