## CONROE HIGH SCHOOL 10TH GRADE COURSE SHEET

Remember, there are only 7 periods in a school day at CHS. You must take your 4 core courses (usually English 1, Chemistry, World History, and 1 period of math) and that will give you 3 periods left. We highly encourage students to finish their requirements like Foreign Language, Fine Art, PE, and Health before their junior year. Please be aware that course numbers ending in an H are one semester and need another one semester to go with them, courses ending with a 2 take up 2 class periods all year. Use this sheet to help fill out your change form. All changes are due to your counselor before 3/1. ASHP students must follow their scheduling guidelines listed on the other side of this form.
