**CONROE HIGH SCHOOL 11TH & 12TH GRADE COURSE SHEET**

Remember, there are only 7 periods in a school day at CHS. You must take your 4 core courses (usually English, Social Studies, Math, & Science) and you will have 3 periods left. We highly encourage students to finish their requirements like Foreign Language, Fine Art, PE, and Health before senior year. Please be aware that course numbers ending in an H are one semester and need another one semester to go with them, courses ending with a 2 take up 2 class periods all year, and courses ending with "M" take 3 class periods all year. Use this sheet to help fill out your change form. All changes are due to your counselor before 3/1.
