Organization Sponsors

If you have not completed the following form, please do so by Monday afternoon. We are looking for FRESHMAN representatives, dressed in uniform to visit the junior highs with us. Preferably, we would like one that attended Peet JH and a different representative that attended Stockton JH. Administration and Counselors will travel with the students. Here's the form:

Spring Activities - Staff Incentive

With so many activities taking place, I want to thank the coaches and sponsors for their time spent helping our students achieve success! As the calendar turns from winter sports to spring sports, I want to incentivize our staff members for attending games and events. If you attend a game, concert, or contest, then see the administrator on duty to get either a jeans pass or an early out pass. That's your choice to use it when you want. An early out pass will allow you to slip out one afternoon at 2:40. Our students love seeing you at their contests and it's a great way to build and grow relationships!

Faculty and Staff Meeting

I will send our link for our February Faculty Meeting by Friday, February 4th and we will have Time with Tasha (Location TBD) on Tuesday, February 8th at 6:30 am or 2:45 pm for those who have questions or want to chat. Please let me know of any celebrations you would like me to share:

Hallway Reminders

Remember to be on duty during Class Change. We had visitors on Friday. During class change, they noticed some hallways staff were present and interacting with students as they walked down the hallway, others not so much. I know it was Friday and I also know we all know our expectations! Let's tighten up Team!

Classroom Management

We have a lot of students out during the class period. Do not allow students to leave the First 10 Minutes or the Last 10 Minutes. Also, if you allow students to eat lunch in your room, it should only be during your lunch time and they need a pass. We don't want students roaming the hallways during their lunch periods. If you have students that you have communicated with their parents and/or their AP and you are still concerned with their behavior, attendance, grades, etc...please let us know by filling out this form:

Special Olympics

Technology Tip

If you need to submit a SAE, discipline referral, or parent contact for a student that is not on your roster, every staff member has access to all students by using the "All Students" tab at the top of ViewIt. Using this tab will allow you to search for students and to make these submissions.
